

SOUTH SUNRISE LITTLE LEAGUE BATTING CAGE POLICY

Revised 1/16/19

Scheduling

This policy governs the use of SSSL batting cages for all SSSL teams, managers, coaches, players, and parents. The batting cages are to be used during Little League sanctioned events ONLY. The batting cages MAY NOT be used on Sundays, holidays, during the summer, rainy days when the fields are closed, or at any other time when SSSL is not permitted to use the facility.

The batting cages are available by reservation through the league website for teams in the Rookie through Juniors Divisions:

- Both cages are reserved together in 30 minute increments only.
- No back-to-back sessions.
- The maximum number of times the cages can be scheduled in a week is as follows:
 - Juniors, Intermediate, Majors, and AAA – 2 per team
 - AA and Rookie – 1 per team, unless there is availability
- When there is a scheduling conflict, precedence goes to the more senior division.
- If the cages are not reserved online, they available on a first come - first serve basis. In that case, there is a 30-minute limit from the time the next user shows up.
- Do not reserve the cages and fail to show up.
- Cages are a shared resource. Please be considerate of other teams.

Set-Up and Teardown

You are responsible for setting up and tearing down the cage equipment before and after each use. The League does not set up or take down the batting cage equipment for you. Unless there is another team immediately waiting for the cages, lock them when you are done.

Use

- L-Screen is required.
- An adult is required in the cages at all times.
- Players waiting outside the cage may not swing bats.
- All players with bats must be wearing a batting helmet, including any players who are waiting outside the cages to hit.

DO NOT remove the pitching machines from the batting cages to use on the fields. We have extra pitching machines for that purpose.

The Board reserves the right to revoke batting cage privileges for any team, manager, coach, player, or parent who violates these rules.
