VOLUNTEER BUYOUT OPTION

As an alternative to volunteering, families may have the option to buy out for the season for \$100 per Player Member (\$50 per Player Member for T-Ball). Buyouts will only be accepted from teams whose Mandatory Roles have been fulfilled, following approval of the Volunteers Coordinator. All buyout fees collected contribute to the cost of paid junior snack bar workers and umpires. Because of their consistent participation, we can ensure the quality of service and umpiring, providing everyone with a better experience.
